

## Smokey Bear, Ranger & Deer

2000, Radio, English

Ranger: Ah, not again. Hey, Mrs. Deer, whatcha doin' standin' in the middle of the road?

Mrs. Deer: Oh, sorry Ranger, was I doing that again?

Ranger: Yeah, yeah, you were.

Mrs. Deer: Well, I was just on my way home when I saw your headlights; your beautiful, shiny headlights.

Ranger: Hey! Snap out of it.

Mrs. Deer: What is it about headlights? So, Ranger, you're working late.

Ranger: Yeah, I was over at Smokey Bear's house, we were talking about how to get people to be personally responsible for the fires they start.

Mrs. Deer: You mean people aren't being responsible?

Ranger: Most are, but sadly some aren't.

Mrs. Deer: Ooh, so what are you gonna do?

Ranger: Radio; we're gonna make some entertaining radio commercials that remind people to be careful.

Mrs. Deer: I like that. Ooh, you can make one with a deer and a Ranger discussing how people should be responsible.

Ranger: Nah, it's been done.

Speaker: If you start a fire, put it out. Remember only you can prevent wildfires. Public service message from Smokey Bear, The U.S. Forest Services, State Forester, and the Ad Council.
