1968, TV, eng

Kukla: Ollie, what's with the ranger's hat?

Ollie: I am assisting Smokey Bear, Kukla.

Kukla: Oh, that's very nice, but does Smokey really need help?

Ollie: Oh, yes, indeed, Kukla. We're having lots of forest fires because people haven't been following Smokey's A, B, Cs. May I have the poster, please?

Kukla: Oh, certainly, yes sir, here we go, right here.

Ollie: Good. There. A. Always break matches in two.

Kukla: B. Be sure fires are out cold.

Ollie: C. Crush all smoke dead. And D –

Kukla: Wait a minute. D?

Ollie: Yeah, Kukla. D for dragons. Dragons, do not breathe fire on the forest, please.

Kukla: That's pretty good, Ollie.

Ollie: Could I have the other poster, please, Kukla?

Kukla: Certainly. Here we are.

Ollie: Yes. Please, folks, only you can prevent forest first.
