This is the Morgan family coming home from the lake. Ed and Marilyn have been married 12 years. That's Kelly Sue and Casey in the back seat. They've driven this road a dozen times before and nothing ever happened, but today is different. Today Ed will become a killer and here's his weapon. Good old Ed Morgan, a mighty careful man in his own home. He can't imagine how anyone could've been so careless. Ed Morgan, everyman, anyone who handles fire in any form is a potential killer. Anyone can start a fire and never even know it. Please be very careful with fire, please. Only you can prevent forest fires.
